

Let's make a BIRTHDAY cake!

You will need:

- Paper square and tissue paper
- Scissors
- Pencil or Number template
- Small yellow triangles
- Tape/glue

Instructions:

1. Draw/glue cake layers onto a paper square.
2. Decide how old you are for the number and how many candles you will need. Cut out and glue the number.
3. To make candles, tape a small pieces of tissue paper onto the end of a strip of paper.
4. Finish by taping the candles to the top of your cake. Get ready to blow out the candles!
