

# Kindergarten IT Program

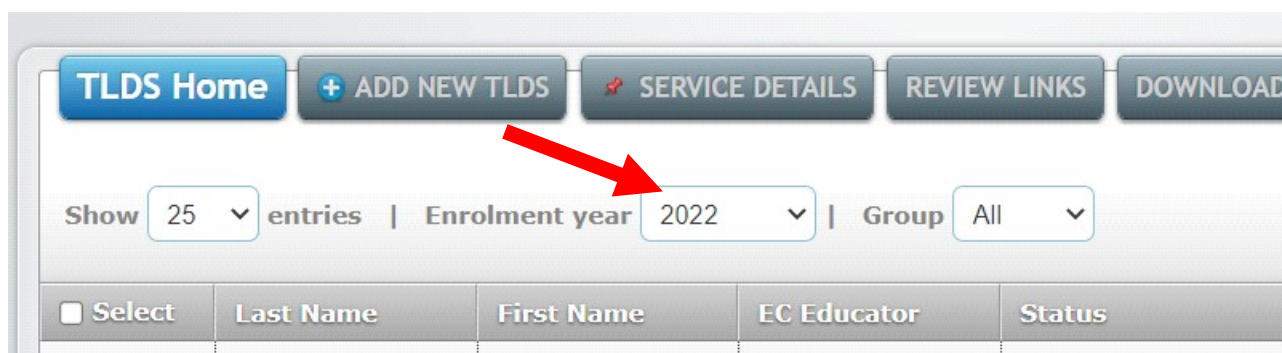

## Summary of 2021 Online TLDS interface/functional changes

The Online TLDS will appear the same as 2020 with some minor changes, including:

- The Enrolment year filter on the TLDS Home screen will default to showing the year preceding the current year (i.e., in 2021, the filter will default to 2022).
- The navigation menu will highlight the section the user is currently viewing.
- The expiry of the link for parent/guardians to complete Section 2 & 3 has been extended from 7 days to 14 days.

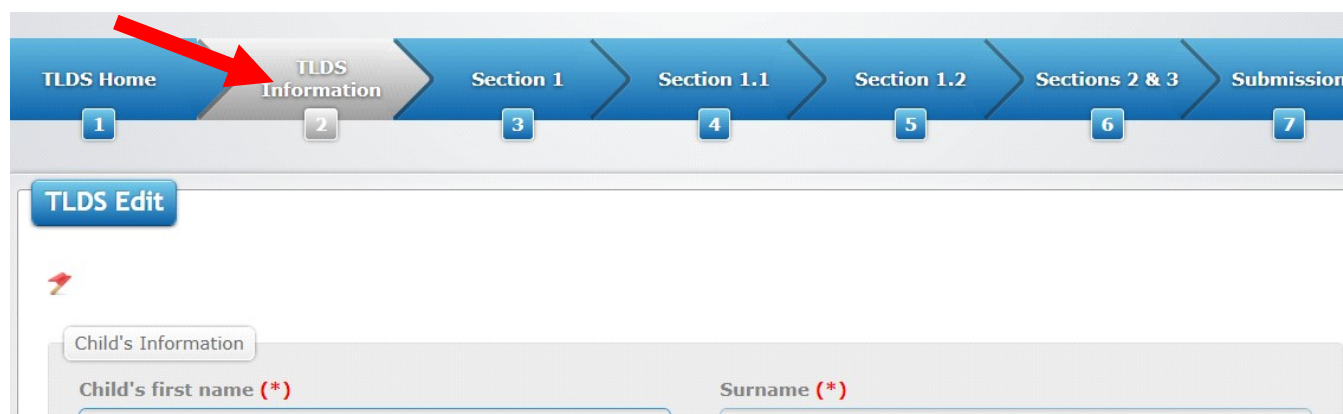

### 1. The enrolment year at Home page:

The Enrolment year filter on the TLDS Home screen will default to showing the year preceding the current year (i.e., in 2021, the filter will default to 2022).

### 2. Navigation menu:

The navigation menu will highlight the section the user is currently viewing.

# Kindergarten IT Program

## **3. Section 2 & 3 link for parents:**

The expiry of the link for parent/guardians to complete Section 2 & 3 has been extended from 7 days to 14 days.

### Create Links for Section 2 & 3

Click on **Create New Link** below to generate a unique online link to the child's TLDS. Multiple unique links can be generated if multiple submissions are required.

This link can be copied and emailed to the child's family for completion of section 2 and 3 online.

The link will expire in **14 days** and can be refreshed by the early childhood service if necessary by selecting the refresh icon in this section.

*Please note: the link will provide view only access to all information that has been input into the current TLDS.*
